The Garrod Association Trainee Educational Award

The purpose of the award is to support attending an educational activity (e.g., course such as the NAMA, SSIEM Academy). The activity attended has to be directly related to inborn errors of metabolism. The award is intended to offset expenses directly incurred by registration, travel, accommodation, and meals for a maximum of \$1,000.

Eligibility:

- Trainee and trainee's supervisor must be members in good standing of the Garrod Association.
- Applicant must not have received a Garrod Trainee Educational Award in the trainee's current residency, fellowship, or post-doctoral training program.
